Re: 2 Guys from Petra Worship Service

Dear Sue,

What a blessing Bob and John were today at Hillcrest!

On behalf of our staff, elders, leadership and church, we thank you from the bottom of our hearts. Your song leading was truly inspired and your originals were so wonderful. We will work on getting you back here soon, if you'll agree! We will continue to pray for you and your music; that it may touch the heart of every believer and also draw all others to Christ, the One who died for us! I hope many churches will bring you in, Bob and John, for God's glory.

Thanks again!

Worshiping on the Hill,

*Jason*
