Dear Nova Productions,

February 25, 2007

I can attest that John and Bob are awesome! They did the concert at the University of Buffalo on Saturday Night, January 27, 2007 which was beyond belief (sorry, I couldn't resist) and then the next morning, (Sunday) they led worship at our 9:15 and 11 AM services. These were "traditional Anglican services" and they led every musical portion of the service. At the place where the congregation would normally stand and recite the Nicene Creed, instead John and Bob sang "CREED." An incredible worship experience! One of our Rector's favorites is "Lovely Lord" and John and Bob prepared it and had it ready for our time of Communion.

We were so blessed to have John and Bob at St. Bartholomew's! People are still talking about it and asking when we will have them back.

Let me express my feelings about John and Bob. They are so very real and down to earth - and the utmost professionals. I was worried about making sure that they were happy - meanwhile, all they wanted to do was make sure that they did their best for us - and for the Lord. It was an unforgettable experience - and I STRONGLY SUGGEST that if anyone is thinking at all about having them come to their church - I recommend that they speak to Sue- NOW. All it requires is to take a step of faith and do it. It will be a remarkable time - that will totally bless their congregation.

The new CD - Vertical Expressions is awesome - but having them sing those songs in your church is pure joy.

Sue, your guidance and friendly, organized manner surely helped this entire process along. You provided suggestions as well as material for promotions. We are very grateful for this experience and thank you all very much.

Thanks, once again, John and Bob.

In Christ's Service,

The Rev. John E. Commins
