To Whom It May Concern:

My name is Mike Jarrett and I would like to share some thoughts with you concerning John.

John Schlitt is the best kept secret for impacting the lives of students! His years with Petra kept him from developing a ministry of speaking and getting up close with kids, but now that Petra has retired, his time has come.

I have had the blessing of seeing John minister to students and adults in a variety of settings, church, camps and Disciple-Nows. He absolutely connected with all of them through both his music and his message! People of all ages relate to John because of his personable character, his love of life and the people he ministers to, but most importantly – his love of Christ, which shines through loud and clear.

I absolutely recommend John to anyone who is seeking to impact students – and adults - with the cause of Christ.
