Dear Sue,

Thank you for all your help in having John Schlitt come here for a concert! Our people enjoyed him very much. Not only was his music great, but John was a joy to get to know! He was also helpful in speaking to our worship teams about what he has learned over the years in leading people in worship of our great God.

Many of the people in our congregation have asked when we can have John back for another concert. We hope to be able to do this again! It was a fun and inspirational for us, while providing a natural opportunity for the people of our congregation to invite friends and neighbors to hear the Good News of Jesus Christ. Thanks again!

In Him,

John Spina
Associate Pastor
