Freedom Fest Canada 2007

As always it was a Blessing and a Pleasure working with John and Bob, I have had the privilege of working with Bob of and on for over 20 years and will John for 15 years and I cannot wait until the next chance we get to work together.

Freedomfest 2008 is looking to bring Bob and John back to be a part of every day at the festival, whether they are leading worship in our worship tent or doing a concert on the main stage their love for the Lord is preeminent.

If anybody is thinking about bring in Il Guys from Petra or John on his own it is time to stop thinking and start doing... You will be Blessed!!!!!!!

Blessings,
