March 24th, 2007

On October 28th 2006 we brought John Schlitt in to perform a concert for our 9th annual youth “Mystery Night.” I wasn’t sure how a concert would sound with John singing to tracks but we were blown away with the quality! It was almost as good as being at a live Petra concert! Throughout the concert John shared stories of his life along with his testimony, which was very inspiring to a lot of people.

Soon after the concert our “Mystery” part of the evening started. Each year we come up with a “crime” that the kids get briefed on in the opening scene & then armed with a map the kids have to visit all the characters to gather clues & try to be the first team to solve the “Mystery.” 2006’s theme was “Koinonia Idol” in which John played a contestant up against the top American Idol™ finalists. John was kidnapped after performing & being judged, what a blast! We only had one rehearsal with John before the program & the whole drama part of the evening was spectacular!

The next day at our church, John led our 2 worship services. Both services were well attended & John connected with people of all ages!

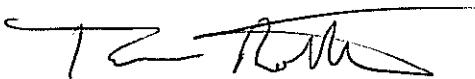

John & Sue were great to work with from the first time I called Sue until we dropped John off at the airport. I can say there were no “bumps in the road” in promoting this concert.

I saw Petra 5 times in their 33-year career & also saw John & Bob perform in Buffalo NY in January 2007. I would recommend John to anyone who wants to put on an event that will inspire people to reach towards Christ.
